Brief explanations regarding the Pro Agens's Annual Subscription Package

Voucher for 8 KPU classes

The voucher gives the opportunity to attend KPU classes for certified accountants / accountants per person from the subscriber company for a period of 8 KPU hours free of charge (as mandated by the Institute for Accountants and Chartered Accountants). The right is acquired on the day of payment of the total amount of the subscription. The right must be used by the end of 2024.

Informator – monthly hardcopy (printed) edition

Specialized monthly issue, which contains texts in the fields of taxation, accounting and financial reporting, financial and business analysis, labor and commercial laws. In addition to covering for profit entities, the publication covers nonprofit and public sector operations (for public accounting). The monthly edition regularly covers content from the tax area. Taxes are our narrow specialty.

Info register – basic folder plus monthly updates (e-edition)

Folder that collects work information in six sections (overview of commonly used regulation, payroll data, per diem payables to employees for business trips, essential bank accounts from public institutions, exchange rates, foreign exchange bank codes), which in addition to the basic folder also contains regular monthly updates.

Pro Economy – yearly edition

A publication that is fully devoted to the preparation of the Annual Reports and Financial Statements, considering all commonly implemented financial reporting standards (IFRS / IAS, IFRS for SMEs) and of course annual tax reporting.

Consulting services and e-communication

In addition to the Publication Set, the Annual Subscription package for 2024 also includes:

- **direct consulting services** (by phone or through your business email address),
- 24/7 preferential access to rich content at **www.proagens.mk**,
- **quick and regular information** on current legal obligations, developments in regulations and so on through your **business email address**,
- opportunity for **direct meetings** for specific issues

Special benefits

By submitting payment for the Annual Subscription Package by the end of 2023, and for Public sector users and Units of users of budgets and funds by the end of January 2024, you gain the right to a Voucher for 8 KPU hours.

The privilege of subscribers to receive discounts on our additional consulting services, discounts on training as part of the Continuous Professional Education (a condition to maintain ownership of a Licence for Certified Accountant/ Accountant), as well as discounts on special editions and manuals remains in 2024 as well.
